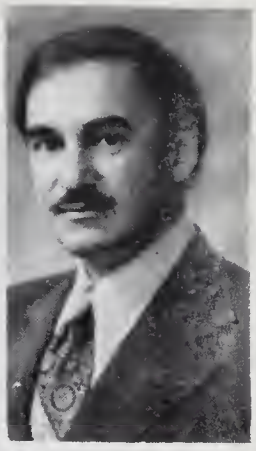
PRESIDENT'S MESSAGE



"Well done", is the standard phrase in Great Britain for outstand-g work. So it is quite appropriate to say to the many NASC members ho participated in the recent American Numismatic Association nvention, "Well done". Every single phase of the convention ranks gh on the scale of achievement. From the general chairman, his sistant, bourse, secretary, security, publicity, finance, registration, using, program, special events, patron listing, exhibits, hospitality, edals, printing, property, publicity, young numismatists, preregistra-n, and related assistants, we found each spot amply manned (and manned!) by capable hard-working, energetic NASC members. In cognition of the contributions made by NASC members to the ccess of the 84th Anniversary ANA convention, ANA Executive rector Ed Rochette presented a distinguished plaque to NASC at e ANA banquet. I accepted the plaque on behalf of all those NASC embers who worked on the ANA convention and turned it over to r museum curator, Ernie Hood, who will find a prominent location display this award. The positive feedback from the many people o attended the recent convention is still coming in and, by any ndard, the 84th is the high water mark of numismatic events.

The last board meeting of NASC was a productive session. A ord standing-room-only crowd was on hand to resolve some key siness matters and to effectively disperse the excess wooden cases ASC has had these many years. Thanks to Nona Moore, Ray inoehl, and others for handling this dispersal in a professional and cient manner. All the surplus cases were equitably distributed and efully our member clubs are duly enriched as a results.

We also decided on the recognition of sustaining memberships. suitable metal card will be prepared for distribution at our 1976 vention to all sustaining members. The board also set the dates the 1977 convention for the first weekend in February. The main sideration was to avoid the extra expenses of transportation which ld have resulted had we chosen the holiday weekends.

Ex Cathedra Calida Numismatica

What more is there to say about a bash as big and as successf and as well-run as the ANA's Eighty-Fourth? The numismatic pre has already reported the big, exciting, and newsy parts of it, but the was much that was worthy that probably won't be reported to t world at large at all. The behind-the-scenes acitvity that made it all —the devoted effort that produced many excellent smaller meetin of specialty societies (I attended as many as I could and ***every o*** I visited was well worth while)—the less-heralded ANA activities.

Of particular interest to me was one such activity. The roo wasn't crowded at the two meetings of the ANA Exhibit Judges Fam iarization and Certification Program, but those in attendance w serious about their desire to learn and ***work.*** ANA Head Judge T Jones pushed, pulled, and nagged about 20 or 30 would-be exhi judges through the procedural mysteries of ANA judging. Then were turned loose on the real exhibits and allowed to match our scor against that of the official judges. Each "student" was permitted choose any exhibit class or classes he or she wished, but it was requi that ***all*** exhibits in the chosen class(es) be judged and ***that*** takes ti Later the results were checked and those whose scoring was consist and accurate were given ANA Certification in their chosen exhi class or classes.

About 15 new judges were approved and I am happy to h been included in the successful group, having received certificat in Class 2, U.S. Paper Money. In the event that anyone actu reads this and has a need for an extra exhibit judge, I hereby o my services to the hobby.

QUESTION AND ANSWER PERIOD TO FOLLOW

NASC Fifth Annual Club Workshop

One hundred and four participants gathered at the Hyatt House in City Of Commerce on 19 July 1975 for the 5th Annual NASC Club Workshop. Enthusiasm was the order of the day and once again NASC President Dr. Sol Taylor ran a well-organized affair. The agenda and content were similar to last year's meeting (see NASC Quarterly, Fall 1974 issue) and represented a "cram" course in making a coin club successful.

News Note

NASC Past President James L. Betton was elected to the Board Of Governors of the Canadian Numismatic Association at that association's recent convention in Calgary, Alberta, Canada.

THE COINAGE OF THE PALESTINE MANDATE

By Richard J. Trowbridge, NLG

"Coins of the Palestine Mandate." This fascinating coin series is of interest to British Commonwealth collectors, general foreign collectors, and the Israel Collector as well.

Palestine was occupied by the Turks before and during much of World War I. British troops occupied Palestine in 1917. The Balfour declaration of November 2, 1917 designated Palestine as a National home for Jewish people. Until 1920 Palestine was under British Military Administration, at which time it was transferred to civilian administration. The League of Nations declared Palestine a British Mandate on July 24, 1924, and it remained so until May 14, 1948, when it became the independent sovereign Republic Of Israel.

Turkish and, to some extent, Egyptian, French and English coinage were in use in Palestine while it was under Turkish rule. Egyptian coinage was made legal tender during the British military occupation until the introduction of Palestine's own coinage in November 1927. The Palestinian coins were struck at the Royal mint, London. The British Mandate coins ceased to be legal tender in Israel on September 15, 1948, at which time the first coinage of the Republic Of Israel was released.

The Palestine issue was from 1927 to 1947, of 7 denominations. The complete type set consists of only 10 type coins.

The 1, 2, 5 and 10 mils coins dated 1947 were minted but never released. The entire issue except for a few specimens were melted. Most of the 1947 specimens are in Museums but a few lucky collectors have them in their collections. Not only was the 1947 issue recalled and melted but many of the other dates are rare because of the recall of Palestine coinage in 1948.

Many of the silver coins were melted down at this time for their silver content and large numbers of the copper, nickel and bronze coinage also were melted down. Existing mintage records can't, therefore, be counted on to be correct because of this, as no records were kept as to the amount of the coinage melted. The number of coins still in existence can only be a guess. Because of this, it would be very difficult to obtain a complete date set of the bronze one through 10 mil. coins.

One Mil, One Type only. 1927-47

The one Mil was struck in one major type design only from 1927-47, bronze, 21.0MM in size. The obverse shows the name of the country in tri-lingual inscription in Arabic, English, and Hebrew. The date in English and native Arabic numerals. The reverse shows a seven-leafed sprig of olive; the stem dividing the numeral 1 in English and native Arabic. Besides the 1947 issue, the year 1940 is considered the key to the One Mil series, while the year 1935 is considered semi-key. Proofs are known to exist for the years 1927, 1939, and 1946.

Two Mils. One Type only. 1927-1947.

The two mils was struck in one major type design only from 1927-47, bronze 28.0MM in size, with the same basic description as that of the one mil. The years 1945, 1946 and 1947 are considered keys to the series. The year 1941 is considered a semi-key to this series. Proofs are known for the years 1927, 1941.

Five Mils. Types 1 & 2 1927-47. Alloy only Difference.

Five Mils was struck in two major types, first type struck from 1927-41 second type 1946 and 47. Cupro-nickel, 20.0MM in size. For the first type, the obverse shows the name of the country in tri-lingual inscription in Arabic, English and Hebrew. The date is in English and Native Arabic numerals below the center hole. There is a wreath of olive leaves encircling the center hole. The hole in the center of the coin is believed made for the natives who liked to string the coins and use them for jewelry until they needed money. The reverse shows the denomination in tri-lingual Arabic, English and Hebrew. Second type 1946 and 47, bronze alloy, 20.0MM in size, same design as first type, alloy only difference. The years 1934, 1941 and 1947 are considered keys to the series. Proofs are known to exist for the years 1927, 1939, 1941, 1946, and 1947.

Ten Mils. Types 1 & 2, 1927-47. Alloy only difference.

The Ten Mils series was also struck in two types with the same alloys and for the same years as the Five Mils and bearing the same basic design and inscriptions. The size is 27 MM. For the first type the key dates are believed to be 1934, 37, 41, 42, 43, and 1947. Proofs are known for the years 1927 and 1947.

Twenty Mils. Types 1 & 2 ,1927-47.
Alloy only difference.

The Twenty Mils series is essentially the same as that of the Five and Ten Mils, the only difference is the value and size which is 30.5MM. The date 1941 is the key to the series and the same years as the Ten Mils series had proofs. This series is fast becoming very scarce to locate in top conditions and collectors should be very pleased by obtaining EF-AU coins for the bronze issues of 1942 and 1944. Brilliant Uncirculated coins, in my opinion, are rare.

Fifty Mils.
Only Type 1927-42.

Fifty Mils coins were struck in one major type design only from 1927-42 in silver 720 Fine (.280 copper), 23.5MM in size. The obverse shows a four leafed sprig of olive in a circle, with the stem dividing the date in English and Native Arabic numerals. The name of the country is shown in Arabic, English and Hebrew. The reverse shows the denomination in native Arabic and English. Key dates are 1931 and 1934, while the year 1933 is considered a semi-key to the series. Proofs are known for the years 1931, 1939, and 1927.

One Hundred Mils.
Only Type 1927-42

One Hundred Mils coins were also struck in one major type design only from 1927--42, 29.0MM in size, same alloy, design, and legends as those of the Fifty Mils. The two letters in brackets at the end of the Hebrew inscription on the obverse an abbreviation of "Erets Yisrael", Land of Israel. Key & semi-key dates and proofs are the same as those of the Fifty Mils.

1927 Proof Set.

A cased proof set was issued in 1927, consisting of two specimens of each of the seven denominations issued. The mintage of the cased set is reported to be only thirty-three. The photo was given to me by Mrs. Sylvia Haffner and is shown here through her courtesy.

PALESTINE BANK NOTES

In addition to coins, bank notes were issued by the Palestine Currency Board, London, England, from 1927 to 1948 and withdrawn from circulation September 15, 1948. The printing of the notes was done by Thomas De La Rue & Co., Ltd., London, England in three different workings, one Litho Tint and two direct plate workings. The color and dimension of each denomination of the notes will be noted as we follow this series along.

Signatures that appear on the notes are as follows: Sir John Calucutt, R.N. Kershaw, J. Gutch, S. Caine, Sir Percy Ezechial, J. T Smith, J. M. Hunter, E. B. Boyd, L. Couper, H. F. Downie, J. B Williams, H. T. Bourdillion, D. N. Brinson, A. J. Harding, and R. V Vernon.

The currency notes were issued in denominations of 500 Mils with the following dates, September 1, 1927, September 30, 1929 April 20, 1939 and August 15, 1945; One Pound dated September 1 1927, September 30, 1929, April 20, 1939, and January 1, 1944; Fiv Pounds dated September 1, 1927, September 30, 1929, April 20, 1939 and January 1, 1944; Ten Pounds dated September 1, 1927, Septembe 30, 1929, September 7, 1939 and January 1, 1944; Fifty Pounds date September 1, 1927, September 30, 1929 and September 7, 1939; an One Hundred Pounds dated September 1, 1927, September 30, 192 and September 10, 1942.

President's Message **(cont'd from page 1)**

All committee reports indicate "All systems go" for 1976 and all indications are that the bicentennial year will be a good one. Our 1976 theme is "Bicentennial-21". It is our nation's birthday and NASC's "Coming of Age". May both events prove to be auspicious.

REPORT OF SPECIAL COMMITTEE APPOINTED TO STUDY LIFE MEMBERSHIPS

A special Committee was appointed by President Waldorf on January 26, 1975, to study Life Memberships. The Committee consisted of past presidents and existing Life Members, Murray Singer, Benjamin M. Abelson, and Thomas Wood. The Committee now makes the following recommendations: (1) That Life Memberships in this Association be retained and awarded, as in the past, solely to past presidents; and (2) that this Association create a new class of membership, denoted "Sustaining Member", on the terms and conditions set forth below. It is the conclusion of this Committee that Sustaining Memberships would eliminate expensive, time consuming handling of annual dues notices, would serve to retain memberships which might otherwise be lost, and would be a financial benefit to this Association.

We recommend Sustaining Memberships be created on the following terms and conditions, and according to the following procedures:

(1) Sustaining Memberships would be sold at a base rate of sixty dollars ($60.00) per person, with credit given toward the purchase of a Sustaining Membership of $2.00 per year for each year for which dues have been paid by an existing member, with a maximum of 15 years dues paid credit. This means that a new applicant purchasing a Sustaining Membership would pay sixty dollars; an existing member who had paid dues for 15 years or more, previously, would pay thirty dollars. Existing members who had paid dues for less than 15 years would pay a sum between thirty and sixty dollars, according to the formula above.

(2) Sustaining Memberships are open only to regular individual memberships, as opposed to clubs or commercial firms, and require only one dues payment, as specified above, for the life of the Sustaining Member.

(3) A separate series of numbers for Sustaining Memberships would be created, beginning with Sustaining Member number 1, which would be maintained separately and independently from other classes of membership. A letter would be sent to all existing members prior to May 1, 1975, offering them the opportunity of purchasing a Sustaining Membership. On July 1, 1975, Sustaining Memberships would be assigned to all then-existing applicants in the priority o

heir existing regular membership number. After July 1, 1975, Sustaining Membership numbers would be assigned in the order applications were received.

(4) All funds derived from the sale of Sustaining Memberships would be administered separately from all other funds of N.A.S.C., and would be placed in special interest-bearing accounts. Annually, all earnings on Sustaining Membership funds would then be transferred to the N.A.S.C. general fund; otherwise, no funds derived from the sale of Sustaining Memberships would be transferred to the general fund.

(5) As soon as sufficient funds have been derived from the sale of Sustaining Memberships, Sustaining Membership funds would be transferred from interest-bearing savings accounts to long term, high-interest bearing savings certificates.

The Committee feels that the Sustaining Membership program would result in a significant economy to N.A.S.C., as well as creating a class of membership which should be desirable to many of our members. The recommended price of these memberships was established at a level which we believe would accomplish both (1) a greater economy to the Association and (2) an attractive sum for a substantial portion of our existing members. We desire neither to price these memberships out of the reach of the average member, nor to make the program less than a self-sustaining operation.

Respectfully submitted,

Murray Singer, Benjamin M.
Abelson, and Thomas Wood

N. A. S. C.'s 1975 WOODEN 20 CENTS

By Duffy Waldorf

The wooden chip promoting the 1975 N.A.S.C. Convention, hel February 13-16, 1975, at the Los Angeles Hilton Hotel, is but one of series of wooden strikings promoting N.A.S.C.'s Annual Convention This year, an unusual number of inadvertent strikings (or mis-striking as you will) have been uncovered. The subject of this article is t identify, in some detail, those which have been observed to date.

The 1975 official wooden issue of N.A.S.C. is round, being appro imately 1-1/2 (38mm) in diameter, and nearly two millimeters i thickness, on the average.

The obverse contains the following printing, around the upp edge, in thick bold letters: "TWENTY WOODEN CENTS". Arou the bottom edge of the obverse are the dates of the Conventio "FEB. 13-16, 1975". The center of the obverse contains the followi identification: "NASC'S//20th//CONVENTION//L.A. HILTON 7th & FIGUEROA//LOS ANGELES".

The reverse contains the official emblem of N.A.S.C.

All known issues were struck in black and the total striking w 10,000.

The major varieties of unusual or misstruck pieces (I don't li the word errors) are listed below. In addition to the major varieti listed, I have omitted pieces which were struck slightly off-cent obverses which were nearly double struck (identified by unusual thick letters), and pieces showing unusual cuttings or grain patter in the wood. The major varieties are:

Variety	Description	Estimated Populatio
A	Both obverse and reverse dies struck on the same side, the remaining side being blank	15
B	Obverse is normal, reverse shows striking by both obverse and reverse dies	unique

C	Obverse is blank, reverse is normal	15
D	Obverse is normal, reverse is blank	unique
E	Obverse is distinctly double-struck, evidencing the second striking not in alignment with the initial striking; reverse is normal	20
F	Obverse is normal, reverse contains an Indian Head facing left, with the inscription around the bust: "DON'T TAKE WOODEN NICKELS//For Real Money Turn Over"	20
G	Obverse and reverse normal; struck on extremely thin planchet	2
H	Obverse struck 30% off center; reverse is normal	unique

I would like to hear from anyone who has found any varieties not sted above, as well as those of you who have one of the listed varieties your possession, so that I might verify to a greater extent the estiated population of the major varieties.

A CHALLENGING FACT—Brotherhood is no longer simply a religious ideal, but a challenging material fact; for there is no peace but universal peace, no enduring prosperity that does not comprehend all mankind. It was Dante who said seven centuries ago that no soul could ever be quite happy in Heaven while it was conscious of a single suffering soul in Hell.—*Edgar White Burrill.*

CLUB NEWS

COMMENTS FROM THE EDITOR—

Keep those cards and letters coming! Several clubs have begun to send in what amounts to a "press release" with a batch of news about what the club has done in the past month (over and above what is normally included in their bulletins). This is particularly appreciated by Ye Ed who sometimes has trouble figuring out what the speaker's topic was and whether there was anything else worth passing along to the outside world. A picture now and then (not a six-page spread please) would also be appreciated, and would also be printed—either along with the regular club news or as a separate short article elsewhere in the issue.

AMERICAN BRITISH NUMISMATIC SOCIETY

ABNS calls attention to the fact that it has been reorganized and has discountinued holding regular monthly meetings and will, instead meet irregularly in conjunction with various state and national conventions. The Society will hold forums at those conventions at which it meets. New Officers for 1975 (through August, 1977) are Pres., Richard J. Trowbridge; V.P., Peggy Borgolte; Sec'y., Mrs. M.D. Beck; Treas., Rodney D. Coon; Editor, Ed McClung. The above officers were installed at a banquet meeting at the Burbank Elks Lodge on Sept. 7, 1975.

AZTECA NUMISMATIC SOCIETY

Azteca's June meeting was held as a forum in conjunction with C.O.I.N. and featured William B. Christensen speaking on "Some Uncatalogued Rarities Of The Mexican Revolution". In July, Mort Shafer presented an illustrated program on the "History Of The Paper Money Of Mexico" at the Society's regular monthly meeting. Another special forum meeting was held in August at the ANA convention where Clyde Hubbard provided a slide-talk on "The Gold Coins Of Mexico".

BAKERSFIELD COIN CLUB

We are advised by the Bakersfield club that their meeting time and place are being changed due to the demolition of the building where they have been meeting—the new facts are, 2nd and 4th Tuesdays of each month at Guarantee Savings and Loan, 5554 California Ave., Bakersfield, beginning in October. For any additional information, contact the club at the mailing address shown in the Member Club List. June's programs (they meet ***twice*** each month) where an Auction Night and a slide show on "Silver Certificates—1878-1923". In August there were both a Numismatic Quiz ("U.S. Coins and Coins Of The Americas") and a slide show, "A History Of Colonial Paper Currency". September brought the membership out for the club's annual picnic.

BAY CITIES COIN CLUB

The Irish took over in June when "Mac" McClaflin presided over an annual "COINO" night, with fun and prizes. The English had their chance in July when Richard J. Trowbridge was guest speaker (topic not specified). A slide show on Confederate Currency highlighted the club's August meeting. Member Jim Betton (NASC Past-President) is reported recuperating from a serious illness which required surgery and hospital time and caused him to miss out on most of the ANA convention action.

CALIFORNIA ASSOCIATION OF TOKEN COLLECTORS

According to the CATC bulletin, "Token Topics", they are the BLOTCOE (Best Little Old Token Club On Earth) which expresses a lot of enthusiasm for their favorite aspect of our hobby. Their efforts as host club for the 25th annual convention of the American Vecturist Association (held the weekend prior to the ANA Show) also represent a good deal of devotion.

CALIFORNIA EXONUMIST SOCIETY

William O. Wisslead (NASC Past President) spoke at the CES Forum (held in conjunction with C.O.I.N.) in June, presenting "The Sound Of the Liberty Bell", everything you always wanted to know about one of our country's best known symbols, but didn't know who to ask. The Society's 14th annual meeting and show was held on 21 Sept. at the Sportsman's Lodge in Studio City, CA.

CALIFORNIA WOODEN MONEY ASSOCIATION

Dr. Sol Taylor (NASC PRESIDENT) spoke on wood and other things in May (the official title was "Trees"). In addition to the talk, a film of highlights of the IOWMC's 10th convention was shown. Roy Robbins gave his thoughts on "Why Collect Wooden Money" in June. The Club's members and guests joined forces for their annual Pot Luck Dinner in July. August brought Fred Coops who spoke on

"Wood In General" plus a member-participation program on "Other Hobbies". Nate Bromberg was the guest speaker in September (topic not specified prior to our deadline). ***Note***: CWMA advises that their meeting locations are being shifted around a bit. For latest information contact the club at the address shown in the Member Club list.

CALTECH-JPL NUMISMATIC SOCIETY

A CSNA/SIN slide show and a Quiz session were featured at the Society's June meeting. Another slide show, "Coins With Specia Significance" was presented in August.

CONEJO VALLEY COIN CLUB

July brought Coiney's chums out for an evening of fun featuring a Quiz, a Silent Auction (?) exhibits, and door prizes.

CULVER CITY COIN CLUB

Various collectables of and about "Abraham Lincoln" were shown and discussed in June by Hazel Waite. July brought the always-popular Coin-o and news that Robert Scott had been elected 2nd V.P. to succeed Paul Thornberg who passed away in May. Mr. Scott supplemented Ms. Waite's presentation with a display of Civil War Historical material. "Mac" McClaflin presented a program entitled "King Of Kings" in August, with displays and discussion of his collection of religious medals, etc. In September, Ernie Hood provided a program about "one of his projects" (probably his model-construction projects, but that's a guess — Ed.)

DOWNEY NUMISMATISTS

Elizabeth Wisslead presented her exceptional program on "The Red Book" at Downey's June meeting. July featured a game night with COIN-O as the main event. In August, Walter Barnes spoke on "Inflation And The Ancient World" (substituting for NASC Past President James Betton whose illness and hospitalization forced a change in plans). William O. Wisslead (NASC Past-President) spoke in September on "The Charlotte Mint".

EAST LOS ANGELES COIN CLUB

ELACC members mourned former board member and active club member Kenneth Lessley who died in late April. Ralph A. "Curly" Mitchell, the Franklin Mint's ever-popular Western Rep. provided a program in June on Robert Frost. One of the club's extra-special activities is an auction (each month) of donated material with proceeds going to the Crippled Children's Hospital Of Los Angeles. In July COIN O reached East L.A. Dr. Sol Taylor (NASC President) spoke in August on "35 Years Of Coin Collecting".

FONTANA UNITED NUMISMATISTS

FUN sponsored its first (annual) coin show in July. The results were good enough to have plans already under way for a secon

edition next year. A new slate of officers was installed in August with Ethel Lenhert presiding as Installing Officer. The new officers are: Pres., Bill Grant; 1st V.P., Alex Jaramillo; 2nd V.P., Mel Dittbenner; Rec. Sec'y, Mrs. Freddie Grant; Cor. Sec'y, Mrs. Nona G. Moore; Treas., Norman Sturgess; Librarian, Mrs. Vicki Jaramillo. Wayne Dennis talked about one of his favorite subjects, "Wooden Money", in September.

FORTY-NINER COIN CLUB

July's program featured Bingo and a short talk by NASC area rep. Roy Robbins. Mel Kohl spoke on "Modern Crowns Of The World" in August.

GARDEN GROVE COIN CLUB

June's featured speaker was Steven Gould who provided a program on "Silver As An Investment". In July, an open discussion meeting was scheduled, with all invited to talk a bit about their own collections, experiences, or whatever. Joe Steele spoke on "Coins Of The Bible" in August. ***New Meeting Time:*** the Garden Grove Club now meets on the second Wednesday of each month. September's program was a "General Gabfest" among the members, for discussion of any topics of interest.

GLENDALE COIN CLUB

Mel Wacks, currently of A-Mark Coin Co., provided the program in July—"The Creation Of A Medal".

HAWAII STATE NUMISMATIC ASSOCIATION

This year's HSNA Medal Issue will honor Prince Jonah Kuhio Kalanianaole (1871-1922), the last Hawaiian who could have claimed the crown of the Hawaiian Monarchy. The medal will be issued in connection with the HSNA Convention in October (see Calendar of Events). For price and availability of the medals, write: HSNA Medals Committee; James A. Philips, Chairman; P.O. Box 17451; Honolulu, HI 96817.

HEMET NUMISMATISTS

Gordon B. Hunt spoke in June on the U.S. Assay Commission. Also featured was a Junior Quiz on Dimes, from the Seated Liberty type to the current issues.

ISRAEL COIN CLUB OF LOS ANGELES

ICCLA noted its 10th anniversary in July, with 2nd V.P. Dr. Nathan Gitlin speaking on "The Story Of The Hadassah Hebrew University Of Dentistry Alpha Omega Medal". Alex Schwimmer provided a Mini-Talk on "Pruta Coins". A delayed 10th birthday celebration was held in August with refreshments catered by Col. Sanders. A new IGCMC film titled "Israel—The Country And Its Commemorative Coins" was shown as a program highlight, augmented by a

LOS ANGELES COIN CLUB

June's program featured Mrs. Helen Coombs speaking on "U.S Type Sets And Famous Engravers Of U.S. Mints". In July, "Mac" McClaflin missed being the speaker due to a quickie trip to the hos pital for installation of a heart pace-maker—instead, the program featured "Coin-O". Michael Chaet spoke on "Coinage, The Early American Colonies 1652-1794" in August. "Elongated Coins" was the program topic of G.A. "Corky" Ayers in September.

MONTEREY PARK COIN CLUB

Still more Bingo, goodies and prizes in June—the club notes the celebration of its 20th birthday this summer.

NORTH HOLLYWOOD COIN CLUB

June's meeting featured James Betton, Jr., (NASC Past-Presi dent) speaking on an unspecified topic. July featured a "Summer Party" with a potluck dinner, swimming, and a "Show and Tell" session for items "not related to coins or stamps". Following up in August, the club had a trade night. In September, Larry Kiel spoke on an unspecified topic.

NORWALK CALIFORNIA COIN CLUB

In addition to the previously-announced "White Elephant Sale" the club's April meeting featured Ralph "Curly" Mitchell of the Franklin Mint. May's program was the whole group discussing the notion of "How They Started Coin Collecting". Irv Brotman spoke in June on "The Heritage Of Coins". No meeting was held in July Ozzie Stout guided the club on "A Numismatic Journey To The Middle Of China" in August. Ozzie filled in on two days notice when NASC Past-President Tom Wood was unable to appear as scheduled.

SELF-CONTROL—Self-Control implies command of temper, command of feeling, coolness of judgment, and the power to restrain the imagination and curb the will. It means such thorough mastery over self as Robert Ainsworth, the lexicographer, possessed, who, when his wife, in a fit of passion, committed his voluminous manuscript to the flames, calmly turned to his desk, and recommenced his labors.
